

Suburban North Family YMCA

2010 Summer Camp

The Suburban North Family YMCA offers a traditional camping program for youngsters throughout Lehigh and Northampton counties. The program runs Monday-Friday, 9A.M. - 4 P.M., with the option for extended hours (see our day camp plus program below.) Located at the YMCA facility in Catasauqua, the program provides fun-filled outdoor experiences for youngsters entering kindergarten through 7th grade.

Activities include swimming, sports, arts and crafts, gym time, special events, and field trips. Crafts, sports, and games are planned around a weekly theme. Campers begin the day at the YMCA and then after lunch, travel to the borough pool for an afternoon of swimming.
